Press Release

MEMBER STATEMENT, HOUSE OF COMMONS – Deepak Obhrai, M.P. CALGARY EAST

March 28, 2013

Mr. Speaker,

Mr. Speaker, last week I was very pleased to announce federal government funding for infrastructure improvement projects supporting a local community centre and two athletic centres in my constituency of Calgary East. The funding announced was for Marlborough Park community centre, for the East Calgary Twin Arenas and for the Bob Bahan Aquatic and Fitness Centre.

Since forming the government, we have worked hard to see community investments such as these shared equally and fairly across Canada, unlike the previous Liberal governments. With a continued focus on job creation, economic growth and long-term prosperity, which will see Canada return to balanced budgets in 2015, our economic action plan 2013 will be good news for my constituents in Calgary East and all Canadians alike.

May I wish everyone a Happy Easter.
