## **Hon. Deepak Obhrai P.C., M.P., Calgary East calls on Calgary Airport Authority to respond concerning noise from the new Calgary airport runway**

“I welcome the new runway that opened recently at the Calgary International Airport and the many benefits it will provide Calgary as it grows as an international destination. Unfortunately over the past week my office has received numerous complaints from my constituents about the noise being generated by planes utilizing the new runway. I call on the Calgary Airport Authority to respond to these complaints and seek a resolution with the communities affected as quickly as possible. To date we have received over fifty complaints from constituents.”
