Deepak Obhrai thanks Legion 275 for their partnership in serving Canadian Veterans

(Ottawa) The Hon. Deepak Obhrai, P.C., M.P. and Parliamentary Secretary to the Minister of Foreign Affairs and for International Human Rights, today made the following statement in the House of Commons:

“Recently I met with members of the Royal Canadian Legion #275 - Forest Lawn in my riding.

Joined by the Honourable Minister of Veterans Affairs, we held a productive roundtable, discussing the needs of our veterans and how to further enhance services to those who have served Canada.

Legion 275 works hard for our local veterans, providing community and support to those who served our country and keeping the memory of their achievements and sacrifices alive for all Canadians.

I would like to thank them for hosting this constructive roundtable and for their ongoing work.

Our government has made great strides towards supporting our veterans and their families; yet our work will never be done and must always continue

With partners like the Forest Lawn Legion, we will ensure the best interests of our veterans are looked after.”
