From hard-working constituents of Calgary East to all across Canada, Budget 2015 reaches out to Canadians, Deepak Obhrai tells Parliament

(Ottawa) The Honourable Deepak Obhrai, P.C., M.P., made the following statement today in the House of Commons:

“Yesterday was the 18th time I sat in this Chamber and listened to the Budget being presented to the House of Commons. Eleven of them have been Conservative Budgets. This was only possible because of the constituents of Calgary East.

This morning, Canadians of all ages and from all walks of life are pleased that we have kept our promise to them by balancing the budget in 2015, the first balanced budget since the Great Recession.

Mr. Speaker, this Budget reaches out to all Canadians. From the hard-working constituents of Calgary East to everyone else across this great country.

This Budget supports jobs and growth, helps our families and communities prosper and ensures the security of Canadians. It lowers taxes and provides benefits directly to families, assists small business and supports seniors.

Our government will continue to manage Canada’s economy well, focus on job creation and keep Canada safe.”
